Comunidad Educativa Evangélica
English Program Information- Kindergarten

Dear Parents,

Hello and welcome to our school! We are so excited to have your student with us in prepa this year. In this package, we will highlight some important information for you to know before your student begins prepa, as well as some activities you can do with your student to better prepare them for English class. God bless you!

Important Information

In English class in prepa, we use the Jolly Phonics program to learn all the sounds and names of the letters of the alphabet. Numeracy skills are taught, including number recognition of numbers 1 to 50, and counting 1 to 50. We do all our work in-class, so no homework is sent home. However, every school night we encourage you to read for 5 minutes with your student, in Spanish or English. Please keep track of your reading in your students' folder, which will contain their Reading Log. It is important for you to write in when you read with your student, as this will contribute to their homework mark on their report card.

We use the Pockets program, Pockets 3 Student Book and Pockets 3 Workbook. We use two workbooks to promote literacy and numeracy skills, My Phonics Workbook and My Numbers Workbook, which are also provided by the school.

Another way you can help your student to learn the vocabulary being introduced throughout the year is through the use of our vocabulary videos. These can be found online, through the school's website: www.ceehonduras.org then click on "Kinder and Prepa."

Every day we have a 15-30 minute snack break. It is very important that your child comes to school with a healthy snack. Please, do not send soda (especially Coca or Pepsi), as these contain high amounts of sugar. Healthier options include milk, water and fruit juices. Also, fruit and vegetables are encouraged as the main snack. Cookies and packaged goods are ok, if kept to a minimum (2-3 cookies, not a package of 6 or more).

Materials Required

- 2 boxes of crayons – normal size – NOT jumbo, and please no twisty crayons (just a normal box of paper-wrapped crayons)
- 1 eraser
- 1 bottle of glue
- Pockets 3 Student Book – available for purchase at the main office from Maribel
- Pockets 3 Workbook – available for purchase at the main office from Maribel
